## X-Guard® Post prepared for push buttons

Axellent has developed X-Guard posts ready prepared for push buttons in a standard design. They make handling much easier and give a clean and tidy installation. The post is equipped with a cover plate that doubles up as a guard against accidental activation.

The post comes in dimensions of 50x50 and 70x70 mm, and heights of 2000 and 2300 mm.

Standard colour: Yellow (RAL 1018). The posts can also be tailored to specific customer requirements.
